DRAFT UNEP EPA MOU Fall 2016 Renewal redline with UNEP legal revisions.doc

Dear All,

Here is an updated version of the MOU document between USEPA and UNEP that we are working with UNEP (via RONA) to review and finalize in time for a visit from the new UNEP ED on September 16. It contains all changes requested by both UNEP and EPA and has been shared with State L by our legal counsel. As you will note, it has not change substantively from the time I last sent it. Please let me know if you have any questions or comments by next Thursday, August 25 OOB.

Also, I didn't recall the exact transition time between Mike and Aldo, so just copied you both.

Thanks!

Alexis
